

CAREER SERVICES *for* HIGH SCHOOL STUDENTS

GUEST SPEAKER CONNECTIONS

Our team can connect your class or group of students with a guest speaker related to a certain industry, career pathway, or specific topic.

RESUME BUILDING WORKSHOPS

Our team is happy to facilitate resume building workshops for your class or group of students. All students will receive a digital resume toolkit and additional resources.

MOCK INTERVIEW EVENTS

We offer mock interview event planning and facilitation for your class or group of students. From securing volunteer industry partners to managing the schedule of events and details, we can help give your students a great experience!

CAREER FAIRS

Our team is able to plan and facilitate career fairs for your school, district, or even larger region! Connect with us to hear about some of the great career fairs we are supporting this year to see if this would be a good fit.
