

# Religious/ Cultural Observance Form

There are many different religious and cultural observances that may occur during the time your student is at Outdoor School. At Northwest Outdoor Science School, we will make every effort to accommodate your student in these observances. This form will help us understand each family's unique needs. If your student needs accommodations based on a religious or cultural need, please fill out the form below and return to your student's teacher with the Student Permission and Health Form. While we will make every effort to modify your student's schedule or experience to accommodate their needs, we cannot honor any requests for accommodations that would exclude other students from Outdoor School activities or spaces.
