NORTHWEST OUTDOOR SCIENCE SCHOOL STUDENT MEDICATION LOG

Classroom Teachers: Please fill out this log sheet as you collect medications from students to take to Outdoor School. Keep this form with you and meet with the Nurse upon arrival at Site for you to Check In Medications. You will physically inspect the medications you take to Northwest Outdoor Science School and cross check with this form. Please have medications in ORIGINAL PACKAGING. At the end of the week Nurses and Teachers will physically inspecte the medications to return home.
