** If weather is too nasty for beach rec., "Recreation" becomes "Homeroom". That means teachers will be responsible to lead an indoor activity with their class for about an hour to an hour and a half depending on the day. **That is up to YOU!** Examples include coloring or art projects, board/ card games, reading time, indoor games like Heads Up 7-Up or Sparkle, doing a rotation of these activities with your students, going on a hike around site in the rain, etc. **Please come with a plan in mind, and all necessary materials regardless of the weather forecast!**
