Age Appropriate Sexual Behavior in Children and Young People (adapted from South Eastern Centre Against Sexual Assault and Family Violence)

Classification of the Behavior	0-4 years: infant, toddler, pre-school	5-9 years: early school years There may be some crossover on age/stages	9-12 years: pre-adolescent There may be some crossover on ages/stages	13-18 years: Adolescent
Age Appropriate Sexual Behavior Normal sexual behaviors are described in the green boxes to the right, shaded in green. These Behaviors may be accompanied by laughter, spontaneity, curiosity, and experimentation. Children are easily diverted from these behaviors. Age appropriate use of technology has little or low risk for sexually abusive behaviors. This use is described here to give a context for higher risk uses described below.	 Touching or rubbing own genitals and showing others own genitals Touching or looking at the private parts of other children or familiar adults, e.g. when in the bath Being nude, and playing doctors, nurses or mommies and daddies Using clang words/dirty language for bathroom and sexual functions, e.g. "shit" or talking about "sexing" Playing age appropriate games or videos on electronic devices, under supervision (low risk for sexually abusive behaviors) 	 Awareness of privacy about bodies Self-touching and masturbation With-peers: "Show me yours/I'll show you mine" Stories/questions/names/ swearing re private parts/body functions Kissing holding hands; observed behavior e.g. pinching a bottom Online social contact: skill based or dress up games Using photos, videos to record their life Accidental access to pornography (risk for sexually abusive behaviors) 	 Growing need for privacy Masturbating in private With peers: "Show me yours/I'll show you mine" Kissing and flirting Talking about genitals or reproduction Using dirty words or telling dirty jokes Exhibitionism e.g. occasional flashing or mooning Having own social media accounts that are monitored by parents/caregivers Using photos, videos to record their life (low risk) Playing age appropriate games online (low risk) 	 Need for privacy Masturbating in private With peers: Sexually explicit conversations, obscenities, or jokes relevant to own culture Sexual teasing or flirting Kissing, hugging, holding hands Foreplay with mutual consent Sexual intercourse plus full range of sexual activity with similar age partner (within 3 years) Viewing sexual content for arousal (low risk) Sending/receiving sexual images of others with consent (low risk)
Concerning Sexual Behaviors Concerning sexual behaviors are described in the boxes to the right, shaded in yellow. The frequency and persistence of these behaviors should be monitored. Seek professional advice if a child or young person exhibits several of these behaviors. and/or the behaviors continue despite clear requests to stop. Risks with technology use include less time with peers, grooming, viewing inappropriate content.	 Keeps masturbating after being told to stop Forcing another child to engage in sexual play Sexualised play with dolls, e.g. "humping" a teddy bear Touching the private parts of an animal or an unfamiliar adult Following other children into a toilet or bathroom to look at or touch their private parts Spending a lot of time using technology and being upset when devices are removed (risk of inappropriate content and contacts) 	 Continually rubbing/touching own genitals in public Persistent nudity and/or exposing private parts in public Continually wanting to touch other children's private parts Persistently using dirty words Wanting to play sex games with much older or younger children Sending/receiving "dick" pics (exploitation risk) Accessing pornography and playing violent or sexual video gamers (risks:grooming, lowers inhibions) Having own social media accounts and spending a lot of time online (risks: grooming, less time with peers, inappropriate posts) 	 Attempting to expose other people's genitals Preoccupation with masturbation Mutual masturbation with a peer or group Simulating foreplay or intercourse with peers, with clothes on Sexual knowledge too great for their age, when the context is considered Talking about fear of pregnancy or sexually transmitted infections Seeking out pronography Taking nude, sexual images of themselves Secretive about using the internet/social media (risk of being groomed or exploited) 	 Being preoccupied with/anxious about sex Being promiscuous Being interested in or using themes or obscenities involving sexual aggression Spying on others who are nude or engaging in sexual activity Engaging in unsafe sexual behavior Seeking out pornography Having oral sex or intercourse iwth someone more than 3 years older/younger* Sending/receiving sexual images of people without their consent*
Very Concerning Sexual BehaviorsVery concerning behaviors are described in the boxesto the right, shaded in red.Seek professional advice, especially if a child or youngperson is also secretive, anxious or tense- or ifcoercion, compulsion or threats are involved.Some of these behaviors become criminal offenseswhen a young person reaches the age ofresponsibility (12 years of age in Oregon).Technology use risks include: grooming, sexualassault, pornography, exploitation and prostitution.	 Persistently touching or rubbing self to the exclusion of normal childhood activities; hurting own genitals by rubbing or touching Simulating sex with other children with or without clothes on Oral sex Sexula play involvign forceful anal or vaginal penetration with objects Accessing sexual material online 	 Touching or rubbing self persistently in private or public, to the exclusion of normal childhood activities Rubbing their genitals on other people Forcing other children to play sexual games Sexual knowledge too great for age Talking about sex and sexual acts habitually Posting sexual images or videos online Accessing/showing pornography to others Cyber bullying others using intimate images to extort other children Grooming other children Meeting online "friends" face to face (risk of sexual assault 	 Compulsive masturbation, including interrupting tasks to masurbate Repeated/chronic peeping*, exposing, using obscenities Chronic interest in adult/child pronography* Making others watch pornography Degrading/humiliating self or others using sexual themes Touching other children's genitals without permission* Forcing others to expose their genitals Making written or verbal sexually explicit threats* Simulating intercourse with peers unclothed Penetration of dolls, other children, or animals* Taking nude sexual images of others Sharing nude sexual images of themselves Having suggestive avatars (online characters) or usernames (risk of grooming) Meeting online "friends" face to face 	 Compulsive masturbation Masturbation in public* Degrading/humiliating self or others using sexual themes Chronic preoccupation with sexually aggressive pornography/child pornography* Attempting to expose other people's genitals Touching others genitals without permission* Making written/verbal sexually explicit threats* Making obscene phone calls, exhibitionism, voyeurism, or sexually harassing others* Sexual contact with much younger people* Sexual contact with animals* Penetrating another person forcefully* Taking sexual images of others to exploit them* (child pornography, exploitation risk) Having multiple nude images of others (risks as above plus exploitation)

*For children/young people 12-18 these behaviors may be criminal offenses.
