Diverse Educator Pathways	2, 4, 5	X	X	Research shows academic and social emotional benefits for students who have access to educators who mirror their racial, cultural and linguistic identities. Yet, there is a severe shortage of linguistically and racially diverse educator talent in our state. To

				address this critical gap, we launched the Diverse Educator Pathways Program, partnering with Forest Grove, Hillsboro, Beaverton, Tigard-Tualatin and Sherwood school districts to develop a diverse talent pool. Through a recent Educator Advancement Council Grow Your Own grant, we have added pilots in, Nestucca Valley, Tillamook and Neah-Kah Nie school districts. We collaborate with schools and other partners to recruit future teachers and convene teacher candidates in a networked community. Participants agree to interview with their home district upon completion of their licensure program. (MENU; GRANT/VALUE-ADD)

Support includes program design and strategy, connection to potential funders, and writing, editing, and submitting grant proposals. (CORE; MENU)
Communications	4-5		X	Districts can contract for dedicated support from a communications manager in increments of 0.25 FTE. Community Engagement and Family Partnerships	1, 4-5	X		Oregon districts feature communities, families and students who have been historically and contemporarily underserved, underrepresented, excluded or marginalized from the educational system. When we support your district through training in strengthening family partnerships, advocacy, organizing, and increasing engagement with the community, you will see focal groups that will feel less like an audience for your decisions and more involved as key partners, structures of accountability and feedback will bring a sense of transparency and authenticity to district planning. (STUDENT SUCCESS ACT TECHNICAL ASSISTANCE PLAN)

Our ultimate goal is to help each district expand its existing course offerings and attract and retain students to that district. Our mission is to assist districts across Oregon as they seek to meet the needs of an ever-diversifying student body. ORVED classes can be used for credit recovery, to resolve scheduling conflicts, to supplement existing offerings, to assist students in nontraditional situations (pregnant/parenting/medical leave) or to obtain college credit.
